

Child Development Day will provide...

- An inviting play center where educators observe your child in their play
- A parent interview for discussing your child's learning styles and development
- Information about preschool programs in the community
- Agency resources from around the area

It is a fun day out for all preschoolers in the Germantown School District who are 2 years, 9 months of age or older!

The Germantown School District
presents...
Child Development Days 2011

**Please call

Child Development Days 2011

**The Germantown School District
is taking great steps to
provide positive opportunities
for families with young children!**

Child Development Day is a chance to ...

- Bring your toddler in to play with other children
- Get information on general child development -- including a vision screening
- Become more aware of community activities and resources available for families with infants and young children
- Give you a sense of how your child is developing
- Get great ideas for activities to do with your infant, toddler or preschool age child
- Meet with other parents of young children
- Get to know your community educators
