Thank you for your participation in our school lunch program. I look forward to serving healthy, well balanced meals to your children again next year. I will continue to use area produce suppliers like Rim's Edge Orchard and Semerad Farms for locally grown produce.

I will continue to menu new products as they become available. Please encourage your children to try them as they are menued in 2017-18.

A summer meal program is available to low income children during school vacation. These are available in **MILWAUKEE and BROWN DEER**. The summer program offers nutritious food when school is not in session. For more information call 2-1-1, a free, easy-to-remember phone number connecting callers with health and human services in your community or text 'fo od' to 877-777, or locate a site on the Summer Meals Map (<https://batchgeo.com/map/53a36c0a01f300544f13fea4c2f341a8>)

Have a safe and happy summer!

Shelley Juedes
