

Free NFHS Online Course for Parents

The National Federation of State High School Associations has produced a free online course titled The Role of the Parent in Sports. This free course is designed to educate parents about their role as a sport parent in the interscholastic setting. The NFHS has developed a 10-minute introduction to the course that can be shown at preseason parent meetings.

This introduction provides an overview of the contents of the course as well as a current assessment of the parent's understanding of their role as they interact with their child, coaches, officials and other parents.

To access this information please go to www.nfhslearn.com <<http://www.nfhslearn.com>> . Click on Locker Room in the red menu bar.

Once in the locker room click more great stuff. You will now see ³Presentation Tool Kits. You can download the parent tool kit there.
