RE: Semester 2 Parent/Teacher Conferences:
March 15, 2018 4:00-8:00

Semester 2 conferences will be held in a “classroom format.” In an effort to save paper and resources, we are asking that parents bring a copy of their students’ schedules or to utilize the Skyward Family Access App, along with printing a copy of room assignments or accessing it on our website electronically. If you are unable to do this, you can have one printed in the Main Office or School Counseling Office that evening. **An updated grid of locations will be posted on our website and made available via hard copy on Thursday night as well. Most teachers will be in the classroom they teach in, with the exception of Physical Education and traveling teachers.**

Typically, these conferences are well attended, so teaching staff plan on about six (6) minutes per conference. If you need more time, staff are happy to schedule additional conferences via phone or in person at a later date.

We look forward to a successful conference night and hope all of you can join us!
