

## Student Council Update By Sam Imrie

Many events occurred through the Kennedy Middle School Student Council.

First, the fundraisers have been very successful. The magazine fundraiser raised a great amount of money. On November 25<sup>th</sup>, Kennedy Cares was held. At this event popcorn and soda was sold to raise a total of \$750.

Homerooms that sold enough magazines were given a pig for the pig races. At the pig races, homerooms were able to name the pig and decorate it. Mr. Wilcox's homeroom came in first place with Mr. Kashbohm's homeroom in second.

Also please remember that Spirit Days will take place Monday, December 21- Wednesday, December 23<sup>rd</sup>. They are:

- Monday: Holiday Socks Day
- Tuesday: Embarrassing sweater Day
- Wednesday: PJ day or dress up as your favorite holiday character

The Student Council is very excited about some events that are going to occur in 2010. There are plans for a possible inflatable social, which may take place in January.
