- Spanish Honor Society will be collecting new or used reading glasses, prescription glasses and sunglasses during December and January for the VOSH organization. VOSH is an organization of local eye doctors that travel to Dominican Republic to treat rural areas with free eye exams and medical care. For many of these poor residents, it is their first time they ever receive an eye exam and they wait in line for hours just to see the doctors and get their free glasses or treatment! If you would like to donate, bring glasses to Spanish Rm 307 or the collection box in the main office. ¡Gracias!
