- **ATTENTION SENIORS:** Upon graduation from Germantown High School, the Germantown School District maintains the cumulative folders of graduating seniors for a period of one (1) year. After this period students' cumulative folders are routinely destroyed. This is the "standard procedure" regarding the maintenance of pupil records. If, however, you deem it necessary, the Germantown School District will store your cumulative folder for a period of five (5) years. Please stop in the school counseling office and pick up a form that needs to be signed by you and your parents.
