

On Friday, October 28, 2016, Germantown High School recognized eleven students for the September "Student of the Month" initiative and breakfast. These students were nominated by a teacher in one of the departments listed below and that teacher then attended the breakfast and presented the reasons for the nomination. The criteria used for selection is: 1) the student goes above and beyond within the classroom, 2) the student has shown dramatic improvement in the classroom and 3) the student has earned a high academic achievement. Parents, the student, and their teacher attend this breakfast held before school each month.

Germantown High School is proud to present this month's recipients:
