

The fastest and easiest way to enroll your child in Summer School is to use Skyward Family Access.

If you have more than one child, select the student you'd like to choose classes for.

As you choose courses, the Fit column will change based on the classes you have chosen.

Option	Fit	Seats Avail	Course	Days Meet	Prd	Trm
Add	No	10	Com		1	T3
Add	Yes	500	GHS		0	T3
Add	Yes	50	Wild	F	1	1T
Add	Yes	15	World History and Hollywood	MTWR	0	T3
Remove	Enr	0	Bu		1	3T
Add	Yes	20	Bu		2	3T
Add	Yes	20	Bu		3	3T
Add	Yes	50	Germantown Sings 6-12	MTWR	3	T3

At any point during the Online Registration window, you may remove courses and add different ones.

If it says No, this course overlaps with a previously chosen course.

If it says Enr, congratulations! Your child currently is enrolled in that course.

Yes means you can still choose this course for your child.

We get many phone calls and emails about whether or not your child is enrolled in a course. **If a course has Enr next to it on this screen, your child is currently on the roster.**

After the initial window closes we evaluate if there are enough students enrolled in a course before classes are final. If your child is enrolled in a class that gets cut you will have another opportunity to enroll in different courses.
