NEW Kindergarten Registration Process Information

*Please pass this information on to a friend or neighbor
who might have a child ready to attend kindergarten in 2017-2018.*

KINDERGARTEN REGISTRATION for the 2017-18 school year will be on-line beginning January 30, 2017. Families who already have a Skyward Family Access account will be able to begin the process from Skyward Family Access. Families who do not have an account will begin the enrollment process on the Germantown School District website at www.germantownschoools.org and click on the Enroll link. To complete the registration process, families will need to bring proof of residency and a true certified copy of the birth certificate to one of the elementary schools or district office during daily registration hours or in the evening on the dates indicated at the bottom of this informational letter.
