7510.03 - **GSD POOL FACILITY USE**

The Board recognizes that the school facilities belong to the residents of the Germantown School District (GSD). Therefore, it is our policy to cooperate with community agencies and organizations to the fullest extent, consistent with appropriate use of the GSD Swimming Pool, in making it available to serve community needs, provided that such usage does not interfere with the regular academic pursuits, extra-curricular activities, or maintenance functions of the schools or District.

The District retains the right to deny use of the GSD Swimming Pool and shall be the final authority in all cases. All individuals, groups or organizations granted use of the swimming pool shall be given a copy of this policy and its Administrative Rules and will be expected to fully adhere to all expectations, rules, and policies. Use of the GSD Swimming Pool may be denied and revoked because of any issues associated with, but not limited to, building maintenance, operation, security, weather conditions, lack of staff availability, failure to pay previous use charges in full, or failure to follow all District policies.

The District encourages informal resolution of complaints under this policy. However, if any person believes that the District or any part of the school organization has failed to follow the law and rules of Wis. Stats. 118.13, and PI 9, Wis. Admin. Code, or in some way discriminates against persons on the bases listed above, s/he may bring or send a written complaint to the following address: District Administrator, Germantown School District, N104 W13840 Donges Bay Road, Germantown, WI 53022 (telephone number 262-253-3900).
