

On Friday, May 20, 2016, Germantown High School recognized students for the culminating event related to the "Student of the Month" initiative and breakfast. This final commemoration was the "Student of the Year" for the various departments. During the course of the year, students were nominated by a teacher in one of the departments listed below and that teacher then attended the breakfast and presented the reasons for the nomination. The criteria used for selection was: 1) the student goes above and beyond within the classroom, 2) the student has shown dramatic improvement in the classroom and 3) the student has earned a high academic achievement. Parents, the student, and their teacher attend this breakfast held before school each month.

Germantown High School has been proud to present the Students of the Month in 2015-16 and this Student of the Year final commemoration. Congratulations to all recipients and their families!
