STEP HANDBOOK

Welcome to the Germantown School District Senior Tax Exchange Program (STEP). The district is very proud of this program and hope you will enjoy your association with the Germantown School District.

Germantown is excited about this opportunity to involve the school district seniors in the process of education and schooling while returning to them property tax relief.

HISTORY

The Germantown School District would like to thank the Pulaski School District for their help and assistance in implementing the Senior Tax Exchange Program in our district.

POLICY AND PROCEDURE

A variety of policies and procedures govern the work of the school district, some of which are described in this handbook. A full set of district policies and regulations are available at every school in the district or can be found on the district website.

WHO TO CALL

The STEP coordinator can be called anytime at 262-253-3905

SUPERVISION

STEP workers are under the immediate supervision of the staff person assigned to work with them. The principal, or their designee, is on call to facilitate discussion or problem solve at the request of the worker or supervisor.

ROLE OF STEP WORKERS

STEP workers function as support for the regular staff. If a child needs to be disciplined, the STEP person should refer the issue to the appropriate supervisor. If child abuse or neglect is suspected, the STEP person must report the suspected situation to a nurse, social worker, teacher, administrator, or counselor.
LOCATION OF STEP WORKERS

All STEP workers will be placed in schools where the STEP program has been implemented.

VISITORS TO THE SCHOOL

All visitors to school buildings must first report to the principal's office where they shall identify themselves and the nature of their visit. STEP workers should sign in and out at the school office with the appropriate staff personnel.

REPORTING ACCIDENTS AND INJURIES

All workers shall immediately report any personal accident or injury occurring upon school property to her/his immediate supervisor. Also, any accident or injury to a student should be immediately reported by the STEP worker to the appropriate school staff.

DRILLS FOR EMERGENCIES

Each STEP worker will be inserviced on proper emergency drill techniques for the particular building in which she/he is working.

EMERGENCY CLOSINGS

Local radio stations will relay announcements regarding school closings

GERMANTOWN SCHOOL DISTRICT SCHEDULE

A current school calendar will be shared with the STEP worker at their initial meeting with their assigned school facilitator.

PAYMENT OF STEP WORKERS

Pay is $5.00 per hour. Compensation will be dispersed via a two-party check made out to the worker and appropriate treasurer usually during the third week of December of each year. Eighty-six is the maximum number of hours for which pay can be earned or a total of $430. If the worker exceeds that number of hours, she/he is welcome to continue to volunteer in the schools but will only receive payment for the pre-established number of hours initially agreed to in the STEP contract. STEP workers are paid on the calendar year rather than according to the school year calendar.
TIME SHEETS

Each STEP worker is responsible for seeing that her/his time sheet is completed. The STEP worker is encouraged to make a personal copy of the time sheet on the school copier prior to turning it in to the principal’s office.

EVALUATION

The superintendent or his designee will periodically speak with STEP workers and job supervisors to evaluate the program, discuss job concerns, and identify means of improvement. Please feel free to bring comments and/or suggestions to the attention of your immediate supervisor, the principal, their designees, or STEP coordinator.

WORKER TRAINING

The school provides periodic training sessions for the workers and an inservice class for supervisors of STEP workers. Attendance at all of these sessions is voluntary, but encouraged.

Topics covered in worker sessions might be:
1. filling out time sheets
2. district policies
3. how schools have changed
4. other timely subjects

Topics for supervisors could include:
1. history
2. working w/experienced workers
3. giving guidelines/perspective
4. celebrating successes

THANK YOU

Thanks to each STEP worker for sharing their interests and skills so that the education of the area children can be enhanced.
HIRING GUIDELINES

1. The primary method of placing applicants is to match their job goals with the staff requests. If two persons seem equally qualified, the person with the earliest application date will be given priority.

2. First priority in placing workers is to make workable matches in longer term jobs.

3. Secondary consideration will be distribution of workers throughout different schools and departments.

4. Work should be accomplished during school hours.

5. In order to make STEP available to everyone on the limited budget:
   a. The practice of requesting a particular person for a STEP job is discouraged.
   b. The practice of family requesting family to work for them is discouraged.
   c. Hiring of previous employees will be on a limited basis.
   d. Hiring of previous volunteers is acceptable.

6. Any questions or comments regarding these guidelines are to be directed to the STEP Director.
